

MUHAMMAD ASYROFUL NUR MAULANA YUSUF

Project Manager | nurmaulanayusuf123@gmail.com | +6285267228032 | https://linkedin.com/in/muhasnumay
Karawang, Jawa Barat, Indonesia

Result-driven Project Manager with extensive experience orchestrating large-scale IT infrastructure projects in the public and banking sectors. Proven expertise in managing complex multi-contract initiatives as a key subcontractor under the Adhi Compnet Consortium for Bank Indonesia, covering ICT Procurement, IBMS & SCADA, and Network Integration. Highly skilled in Agile and Waterfall methodologies, budget & resource management, subcontractor coordination, principal engagement, and comprehensive project documentation. Adept at leading cross-functional teams to deliver projects on time, within budget, and with significant efficiency improvements.
